## Please Mr. Sun, Smile On Chamber's Goodwill Day Next Monday!

Optimism was pouring from Vulcan District Chamber of Commerce president Ken Houlton Tuesday of this week as he glanced at the gloowering clouds and tightened his winter jacket — "That's the idea, the weatherman'll have all this sort of thing out of his system by next Monday."

Next Monday, as every businessman connected with the project has known for the last three weeks, is a Goodwill Day here at Vulcan. This fall, for those so inclined, the Chamber of Commerce is holding a Shopper's Day

but next week's event will see the stores closed and merchants and staffs on hand to help entertain their customers and friends in this unique free day.

As a means of showing their appreciation to residents of town and district for past business associations 62 merchants and businessmen are co-operating in this venture which will see a full day's program of activities.

From 10 a.m. when brunch is served to 10 p.m. when the dancers and bingo players are through the

only cost to the visitor is 50c per plate for the barbecue supper and gas for his car.

In quantity this is not just a 50c meal. Actually the menu, under chairman Bill Richardson, calls for 400 pounds of prime beef slated for the Lions Club barbecue oven and with beans, other frills and coffee, there should be no gaunt faces when supper's over. This small charge is to help defray cost of the meat.

The program includes swimming all day, golf all day with a one-club

tournament at 1 p.m., a tea and art exhibit at the armouries with art work shown by the Vulcan and Champion community classes. Other day-long features will be open house at the Little Bow Pioneer Museum and a gun display at the Legion Hall by Mr. Halmrast of Milk River.

The Drama 10 Class at County Central High School is also contributing to this day by staging a comedy, "Women In Council" at the school auditorium starting at 4:15 p.m. Also at 4:00 p.m. is the first of two free

shows at the Vulcan Theatre, the second set for 8:00 p.m.

At 5:00 p.m. the barbecue begins to the accompaniment of a concert by the Vulcan County Band.

In the evening a two-hour dance from 8 to 10 p.m. will be held at the Armouries. This will be supervised by members of the Chamber.

For adults a choice of the movie or a session at bingo will complete the evening.

### Mrs. E. A. Marks, Swim Armada Pioneer, Pool Buried at Vulcan Opening?

A resident of the Armada district for 43 years before moving to Calgary, Mrs. Elizabeth Ann Marks died on May 25, 1966, at the age of 81.

Born at Bridgewater, Somerset, England, she came to the Armada district in 1911, residing there until 1954 when she moved to Calgary. She was a member of the Calgary Golden Age Club.

Surviving are one daughter, Mrs. Alan (Phyllis) Beaumont, Calgary; five sons, William, Jack, Arthur and Stanley, all of Armada, and Frederick of Milo; 31 grandchildren; 28 great-grandchildren; and one brother, Charles Stokes, Calgary. Mrs. Marks was predeceased by her husband, Thomas, in January 1951 and by a daughter, Mrs. Doris Valle, in July 1959.

Services were held at St. Aldhelm's Church, Vulcan, on Saturday, May 25, conducted by the Rev. Victor Cowell. Pall bearers were Herb Craine, Stanley Hendrickson, Bill Brotherhood, Raymond Beagle, Glen Sealock and Bill Lucas. Interment was in the Vulcan cemetery.

The Vulcan Funeral Home was in charge of arrangements.

Some people get there by pull, others by push.

Last Friday, under the coxing of Don Beuhler, pictured at left, water was running into the local swimming pool and the sponsoring Vulcan Lions Club, Vulcan District Chamber of Commerce, not to mention several hundred youngsters, are hoping it's there to stay without any leaks or problems. Opening day is set for next Monday and this is where the Chamber is concerned. It is to be used for free swimming at that time in conjunction with their Goodwill Day. The pool received a fresh coat of paint and all other facilities are being readied for the new season.

### Invitations Are Out, Program's Ready Fr. W. MacCallum For Lomond's 50th Anniversary Party New Pastor

For the past two months the people of Lomond have been spreading the word about their 50th anniversary celebration coming up on July 8, 9, and 10 and apparently the call is being heard. Many former residents, now in the "oldtimer" category have already signified their intentions of returning for the big "Do."

Dear Friends,

The Village of Lomond is celebrating its 50th Anniversary this July. We, and the people of the surrounding district are hoping to see many of the old timers here then.

The dates of the event are Friday, Saturday and Sunday — the 8th, 9th and 10th of July.

On Friday afternoon we are planning entertainment, a barbecue, wrestling matches, hospitality hall, and a modern dance in the evening.

On Saturday afternoon our plans include a parade, sports events, bingo, a supper for old timers served at a nominal charge, and an evening of old time dancing.

For Sunday, July 10th, we have planned an inter-denominational church service, to be followed by a fellowship tea.

We plan to have a book of the Lomond and District History available for sale at this time.

We hope to see many of you folks, young and old, from near and far here to help us celebrate our Golden Anniversary. We would appreciate a reply from old timers who plan to attend.

Thank you,

The Lomond Anniversary Committee

The three-day program is almost complete with a full range of activities plus lots of spare time allowed for reminiscing. A hole did crop up in the Friday afternoon

To avoid confusion the anniversary committee headed by mayor Pete Stokes, sent out form invitations to as many pioneers as they could record, living outside of the county. However the welcome is just as warmly extended to those in the district and following form letter can be considered their invitation;

### At St. Andrew's Church Group Plans Film Showing Here

The Vulcan Council of CWL met at the church rectory on May 12 with president Mrs. Les Shaw in the chair and 10 members present.

The president opened the meeting with the league prayer and a prayer for the pope. Mrs. Lorna Gerding, spiritual convener, gave an interesting talk on Appreciation and Gratitude (for benefits coming your way).

The newly-elected president, Mrs. Les Shaw, expressed her thanks to the league members for having elected her to this position.

Tentative plans were made for the CWL tea to be held June 8.

Mrs. Les Shaw went as a delegate to the CWL Convention which was held in the Banff School of Fine Arts on May 13, 14 and 15.

Lunch conveners were Mrs. Rose Douville and Mrs. Pete Douville. The winner of the tea prize was Mrs. Lorna Gerding.

It is a great pleasure to announce that Rev. Father William MacCallum, formerly of Picture Butte, is now the new pastor of St. Andrew's parish. He had been at the St. Joseph's Seminary in Edmonton for a number of years before coming to Vulcan.

### Re-opening of Entire '66 Salary Schedule Sought By Teachers

A proposal by the County of Vulcan School Committee that the salary schedule for county teachers, which was approved by both the County and the teachers last month, be reviewed with the objective of raising the maximum salaries in the upper levels, was voted down at a meeting of the Vulcan County Local of the Alberta Teachers Association Monday evening of this week. Instead, the teachers will propose to the County that the entire salary schedule be re-opened for negotiation.

The County's proposal that maximum salaries for teachers with considerable training and experience be revised upwards — even though a new salary schedule had been agreed upon by both parties — came about through the realization that in order to attract and hold the best teachers possible the salaries for this type of teacher would have to be increased beyond the maximums specified in the

new salary schedule. School buildings and teaching facilities in the County of Vulcan are second to none when compared with other rural areas but staffing these facilities with experienced and highly qualified teachers, in both the academic and vocational fields, is a problem that is annually growing more acute.

According to a spokesman for the A.T.A., the teachers feel that certain other parts of the recently negotiated salary schedule should also be reviewed and are therefore suggesting to the County that the entire salary schedule be re-opened for negotiation.

### Here in 1904, Edward Douglass Dies at Calgary

A Vulcan district pioneer, Edward Robert Douglass, aged 82 years, died at Calgary on May 26, 1966.

Born at Burt, Iowa, he came to this district in 1904. He joined the Royal Mounted Police Battalion in the First World War and also served in Russia for a year following the war. He lived at various places in the United States and Canada before retiring to Calgary in 1956. He was a member of the Royal Canadian Legion.

Mr. Douglass is survived by one sister, Mrs. Donald B. Smith of Vulcan, and several nieces and nephews.

Services were conducted by Rev. R. J. Pelham at the Vulcan Church of Christ on Monday, May 30, and pall bearers were Douglas B. Smith, Russell E. Smith, Stuart Douglass, Vernal Haga, Ernest Lind and J. Phelan.

The Vulcan Funeral Home was in charge of arrangements.

Mental health clinics for children, known as child guidance clinics, are established in many parts of Canada. Consultations can be arranged through the child's school or local health unit. A series of folders, entitled "Child Training" may be obtained from local or provincial health departments.

### At Elementary School

## Two Concerts Enjoyed By School Students, Adults

The Hazel Cameron Elementary School rang with music last Monday as two concerts by the Vulcan County Band, one for students in the afternoon and one for the general public in the evening, were held.

Through the courtesy of elementary school principal Don Green, all classes from one to six, 329 students were given this opportunity to add to their appreciation of music by this live performance. It is hoped this may be repeated next year and that demonstration and explanation of instrument technique will be offered as well.

Under the direction of Art Dee, the 32-piece band pleased an appreciative audience in the evening concert with a fast-moving series of serious music, solos, vocal numbers and comedy.

Highlighting the concert was a violin solo, Londonderry Air by Jack Thurber, Clarinet On The Town by Harry Washburn, Fiesta Time by trumpeter Bobbie Pribe and Trumpeter's Lullaby by Peter Pickersgill. Another feature was a spontaneous drum solo during the swing number Tiger Rag, by Gordon Goldhawk.

Adding vocal variety to the program were the four young sons of saxophonist Earl Meadows, Howard, Eric, David and Gary who demonstrated surprising talent in their two songs Climb Every Mountain and The Happy Wanderer.

Also back again with their own brand of corn and oomph music were Harry's Hungry Five. Behind the costumes and beards were Larry Graff, trombone, Dave Schierman, bass, Harry Washburn and Stuart Campbell on clarinets and Peter Pickersgill, trumpet.

Marches heard during the evening were S.I.B.A., Father of Victory and Burnished Brass. Among concert selections were melodies from My Fair Lady, Cuban Capers, Italian Festival, Studio One, Moon River, The Three Bears, and other numbers.

Two members of the junior band group went home happy, winners of scholarships to this summer's band camp at Sundre. Allan Morseth, eight year old baritone player, won the Vulcan Bakery trophy which was presented by bakery owner Fred DeJong. With this goes a smaller trophy for permanent possession and tuition to band camp.

Winner of the band scholarship was Peggy Kehr, 12-year-old clarinetist, who is in her first year of training. This scholarship was awarded by president Harry Washburn.

Next local appearance of the band will be on Monday, June 6 when it plays a concert at the Vulcan Goodwill Day, during the 5 p.m. barbecue downtown.

The following Friday the band will travel to Brooks to once again appear in the Brooks Rodeo parade.

### Spring Cleanup At L. Bow Museum

Initiated by the Vulcan District Chamber of Commerce, a crew that varied in size from 10 to 20 men spent three full evenings last week in a clean-up and paint-out bee at Commodore Allen's Little Bow Museum.

The two buildings housing exhibits were given a thorough going-over and the exhibits rearranged under the direction of Mr. Allen and Dr. A. D. Tompkins.

Meanwhile the antique farm equipment exhibits outdoors were repaired and arranged in orderly fashion in the space between the two buildings.

The museum is now ready for the usual summer influx of visitors and the Chamber of Commerce men, whose numbers were augmented by other willing workers, are to be congratulated on this worthwhile effort.

JIM DEW IN HIS COWBOY HEYDEY

### Pioneer Cowboy, Jim Dew Is Finally Leaving The Range

The best years of Majorville rancher Jim Dew's life are depicted in a photograph album kept by him through his early years until the 1920's. During that time he was one of the best known cowboys, rodeo contestants and horsemen in this part of the country. Since those years he has developed his ranch and grain operation into a comfortably profitable stage and kept on the horse scene with his interest in the Lake McGregor Race Meet, being one of the

organizers back when it was a UFA venture.

On Saturday, June 18, local auctioneers Wally Franks and Commodore Allen will sell Jim Dew's equipment and he'll give up this familiar pattern of life and retire. Although hesitant about revealing his age Mr. Dew's health indicates him to be "getting along" in years and so comes this move of he and his wife to the coast, somewhat grudgingly.

Coming from Idaho to Parkland

in 1905 this pioneer homesteaded in the Vulcan district on the present Willard Love land, in 1908.

In 1917 he bought land in the Majorville district and broke it up and on it he raised grain, but of greater love to him, he raised horses for domestic use and racing.

As evidence of his interest and participation in rodeos is his well-kept photograph album records dozens of shots of stampedes at Vulcan and at Gleichen in the years 1914-15-16. Jim and maybe

others will remember Dick Nell and Vic Scott, pictured on pinto ponies, winners at a Vulcan stampee, the Indians who came and tented at these times and of the railway excursions which brought hundreds of spectators from Calgary to these events.

Back in the days when horses were a livelihood Jim Dew's stock was among the best. Not so many years ago when the Willard outfit was in chuckwagon competition, (Continued On Page 7)

## From The Legislature

(By Ray Speaker, M.L.A.)

Human Resources development Committee discussion also centered around reports given on AROA held in Banff, May 23-27, which I attended.

Recognition of change today in our economic and social society have caused levels of government and local organizations to initiate parallel attention to human resource development as has been formerly placed on material development. With focus on these changes the conference delegates discussed three general areas: a definition for human resource development, problems in society, and possible approaches.

The Extension Department of the U. of A. were responsible for the organization and sponsorship of this conference. We as citizens of Alberta and Canada can look forward to the programs and techniques that will evolve through individual initiative in the area of human resource development as Canada begins and continues in her second century.

In a brief and limited statement I would say the conference felt that Human Resource development is a process of helping people help themselves by all citizens contributing to provide an environment for the individual to develop his potential capabilities to achieve maximum fulfillment for himself and society.

KICKING WILD. Bob McKinlay, Nottingham Forest skipper and centre-half, tries hard with a valiant left-foot kick, but fails to stop Chelsea outside-left Bobby Tambling from getting his shot through in a recent match at Chelsea's Stamford Bridge ground in London. This time Nottingham Forest goal-keeper was there to save the ball, but later Chelsea scored to win the match 1-0.

BROWNIE REVEL

A very successful Brownie Revel was held at Little Bow Park on Saturday with Brownies from,

Champion, Arrowwood, Carmangay and Vulcan taking part in the afternoon's activities.

A giant Fairy Ring was formed and Commissioner Hayes of Arrowwood was presented with a scroll depicting the afternoon by the Brownie Packs present. The Brownies were divided into groups and depicted countries of Holland, Africa, India, France and Norway. Two handicrafts were made by the Brownies after each group had gone to their respective lands.

Lunch was eaten in the fairy ring and the afternoon ended with an action story being read by one of the Brown Owls present.

### C.W.L. MEETING

The May meeting was held at the home of Mrs. A. Degenstein with nine members and three visitors present. Mrs. G. Hummel presided as the new president.

The treasurer's report and regular convenor's reports were given. Correspondence was read and dealt with. It was decided to cater to Carla Lever's wedding reception in August.

Mrs. Hummel presented the past president, Mrs. Hunziger with a gift and the meeting was turned over to Mrs. Leslie Shaw who gave a very interesting report on the CWL Convention at aBnff.

Mrs. Robert Fath adjourned the meeting.

## Airstrips Benefit Communities

The past decade has seen a subtle shift in public attitudes towards the general aviation airplane, says an editorial in "Canadian Aircraft Operator," a Canadian aviation newspaper. Without flying's image as a pleasant form of recreation being diminished to any extent, its usefulness as an enormously practical means of both private and business transportation is at last achieving recognition and acceptance.

Community groups such as municipal councils, service clubs or flying clubs are now the main driving force in small airport or airstrip projects, reflecting the new thinking that an airport or airstrip is a public enterprise of general benefit to the community as a whole and not merely a recreational area for an exclusive private or narrow-interest group.

At Vulcan the airstrip is on leased land and is operated by the Vulcan Flying Club. Limited financial assistance is given by the Chamber of Commerce and the Town of Vulcan towards paying the annual rent for the land occupied, but expenditures above the total \$250 yearly grants must be met by the flying club.

The airstrip not only allows the flying club to operate — and continued interest in flying is evident, with a new class of students likely to start this summer — but keeps the town "on the map" insofar as business and pleasure flying with light aircraft is concerned. Public acceptance of the fact that an airstrip is important to any growing town is a big step forward.

### CARDS OF THANKS

I would like to express my sincere thanks to everyone who sent me cards, flowers, gifts and visited me while I was in the General Hospital in Calgary and also my appreciation to my family.  
—Robina Hutton, Vulcan 43-1p

I would like to express my deep appreciation to everyone who contributed their time and effort in the cleaning of the Little Bow Museum. The Vulcan Chamber of Commerce is to be highly commended for the organization of the work parties for the three days last week. To all the men for their manual labor, for the use of all the equipment, for the painting and general cleaning, my sincerest thanks.  
—Commodore Allen, Vulcan. 1x

The Arrowwood Booster Club would like to thank everyone who came and supported as well as donated to their coffee party.  
—The Booster Club Members, Arrowwood. 43-1p

We would like to extend our heartfelt thanks to the doctors and nurses of the General Hospital for the loving care they gave our dear mother; to friends and relations for the floral tributes, donations to the cancer fund, cards and any expressions of kindness and sympathy during our recent bereavement. Also to the pallbearers — a special thank you.  
—Bill, Fred, Jack, Art, Stan Marks, Phyllis Beaumont, Bob Vaile and families. 43-1x

I would like to say a very sincere thanks for the wonderful care, visits, gifts, letters, cards and kind thoughts I have received since my accident in November. I needed you and you were there.  
—Judith Willard, Milo. 1-x

### IN MEMORIAM

CHAPMAN— In loving memory of our dear father Thomas Chapman who passed away June 6, 1955.  
The years go by but memories stay,  
As near and dear as yesterday.  
—Ever remembered by his family Phil, Cecil, Alice, Violet, Hazel, Ralph, Ruth, Gladys and their families. 43-1x

DOW— In loving memory of Edith Dow, who passed away June 1, 1965.  
We often sit and think of you  
And of the way you died.  
Many times we've longed for you  
Many times we've cried.  
You gave me one last farewell,  
Nor even said good-bye.  
You were gone before we realized,  
And only God knows why.  
—Ever remembered by Margaret, Douglas, Don, Hazel, Barbara, Allan and children. 43-1x

DOW— In loving memory of our dear wife and mother Edith, who passed away June 1, 1965.  
Just a prayer from those who love you,  
Just a memory, fond and true,  
In our hearts you'll live forever.  
Because we thought the world of you.  
—Ever remembered by her husband Guy and son Robert. 43-1p

MUMBY— In loving memory of our beloved husband and father who passed away June 4, 1965.  
We never lose the ones we love  
For memories keep them near.  
Time dims the loss but lets the love  
Shine bright and sweet and clear.  
—Sadly missed and ever remembered by Ruth and family 43-1p

AMEY— In loving memory of Mary Amey who passed away June 2, 1955.  
Her memory is as dear today  
As in the hour she passed away.  
—Ever remembered by her husband Harry, daughter and family. 43-1p

## Vulcan Unit Emergency Measures Organization

Peacetime disasters which could call upon the local or provincial resources of EMO include earthquakes, airline crashes, floods, tornados, explosions or fires in hospitals, schools, hotels or other places where many people are congregated and where loss of life and injuries could be greater than normal facilities could handle.

## LETTERS TO THE EDITOR

Vulcan, Alberta,  
May 30, 1966.  
The Editor,  
Vulcan Advocate,  
Vulcan, Alberta.  
Dear Sir:

In order for the public to make a realistic appraisal of the functioning of the educational system in the County I feel it is important that any pertinent information be accurate. Unfortunately some of the statements reported in your article under the headline "Teacher Shortage Fears Despite High Salaries" were misleading.

First the new salary schedule as first agreed upon is not well above provincial average. Agreements have not been reached in all areas but of those reported in May, 30 areas offered higher salaries to teachers with six years of university training, 32 offered higher salaries to teachers with four years of university training, and eleven offered higher salaries to teachers with one year training. These figures are hardly commensurate with the statement that Vulcan's salaries are well above average.

The salary schedule for the present year is lower in most categories, particularly for those with considerable training, than thirty of the fifty-three counties in Alberta; the city salary schedules are of course invariably higher than those obtaining in the rural districts.

As the curriculum changes, becoming more demanding in an attempt to meet the needs of our technological society, teachers require more and more training. The desperate shortage of the journeymen teachers necessary to offer vocational courses is due to journeymen being able to obtain far higher salaries in industry than in teaching. A teacher with six years experience could receive a maximum \$9,000 to \$10,000 in Vulcan (about \$2,000 less than in the cities); a man in industry with the equivalent preparation would expect about \$15,000 a year. Beginning teachers with one or two years training receive less money than the janitorial staff of the schools. People in rural areas ex-

pect to pay the same cost for most professional services as people in the city — why should they expect to obtain the professional services of teachers for less?

Of course it is possible to obtain people with few qualifications whom the city will not hire, and if the public is prepared to accept the rejects from other areas certainly money can be saved — however the cost to the young people who must compete with the city children will be high indeed.

Salaries are of course, not the only consideration of teachers seeking employment; your article pointed out housing is an important factor. The County of Vulcan is to be commended for the attempt it has made to alleviate this difficulty, but it is impossible to compete with the variety of accommodation available in the densely populated areas.

The comparative isolation of some parts of the county is an inhibiting factor to many teachers. The attraction of living on a paved highway close enough to a city to be able to enjoy its medical and recreational facilities is obvious. Fortunately many people prefer the rural life, and having worked in these isolated places I am aware of some definite advantages in them.

Another important consideration is the obvious disadvantages of living in the same community in which one teaches. It is unfortunate that teachers have been judged on their performance outside school rather than in the classroom.

The County of Vulcan is in the forefront of rural areas in providing educational facilities; these cannot be utilized without competent teachers. These competent teachers are in short supply and attracting and retaining them is to the benefit of the whole community.

RCMP Constable  
Harold Purdy  
To Fort Macleod

Constable Harold Purdy of the Vulcan Detachment RCMP has been transferred to Fort Macleod and with Mrs. Purdy and small daughter moved to their new location this week. Const. Purdy has taken an active part in many town activities during his three and a half years here and will be missed by a host of friends.

Replacing Const. Purdy at Vulcan will be Const. Jim Coombs from Fort Macleod. Const. Coombs is married, with one child. The two-man RCMP Vulcan detachment is commanded by Cpl. Peter Thachik.

Ladies Guild  
Plans Fall Sale

Mrs. Allan McAskile was hostess to the Anglican Ladies Guild on May 25. Mrs. Florence Fitzpatrick presided over the meeting and opened the meeting with the Lord's Prayer.

Tentative plans were made for the annual rummage sale to be held in the early fall. Ladies are asked to leave their rummage in the church basement at any time.

A general cleaning and paint job will be given the Church hall and kitchen and the Vestry will be asked to assist with this task.

The next meeting will be held the first week in September when the ladies will again be prepared for another busy year. A social hour was held following the meeting and a delicious lunch was served by Mrs. McAskile and co-hostess.

## Please Mr. Sun, Smile On Chamber's Goodwill Day Next Monday

Continued From Front Page)

outlined in an advertisement on Page 7 of this issue five draws for \$20 will be held during the course of the day. These will be held at the golf clubhouse, gun display, museum, tea and at the morning brunch and the only requirement is to be present when the draws are made.

To allow all businesses to fully observe this special day, town council

last week proclaimed next Monday a civic holiday.

And where will all this be held? Well, as Chamber President Ken Houlton says, if the weather's right most of it will be at the main downtown intersection smack in the middle of things. If it's too cold or wet everything planned for this location, brunch and barbecue, will be shifted to the arena.

So if you want to see Al Dakin, or Cliff McAskile tossing pancakes Monday morning, get an earful of Commodore at the museum, Ruth Northcott and Virginia Mitchell talking to women at the tea in the afternoon or if you'd like to watch Frank Jepps and Allan McAskile "jerk" with the kids in the evening . . . by all means, come and be the guests of Vulcan's business community.

Parade Precedes  
First Gymkhana

Approximately 50 members of the Vulcan Light Horse Association paraded their horses through downtown Vulcan Sunday to open the new season. President Norman Hilz and Marion Fisher carried the banners with drummers Gordon Goldhawk and Earl Mote leading the procession.

The gymkhana followed at the grounds with 24 junior and 17 senior members competing.

The winners of the three major events run were as follows:

Barrel—

Seniors: Ken Booth 20.8 sec.; Mike Holm 20.9; Marian Fisher and Max Kehr tied for third with 21 seconds. Marian won the tie in the re-run.

Juniors: Margo Fisher 19.8; Leah Lucas and Bob Cutler Jr. tied with 20, Leah won the tie.

Keyhole—

Seniors: Ken Booth and Larry Mueller tied with 10 sec, Ken won the tie; Morley Scobie and Tommy Irwin tied for third with 11, Tommy won the tie.

Juniors: Margo Fisher 10.3;

Brenda Christensen 11; Bob Cutler Jr. 11.5.

Pole Bending—

Seniors: Larry Mueller and Marian Fisher tied with 27, Larry won the tie; Morley Scobie 27.2.

Juniors: Margo Fisher 26 sec; Norman Dann second, and Leah Lucas third.

The club members are planning on a large attendance for the Milo parade Saturday, June 11.

## Seeding Complete

Seeding is pretty well completed in the County of Vulcan area, according to the reports received this week from Wheat Pool agents at 14 county points.

The high winds of last week caused some soil drifting but little if any damage was done to seeded crops as moisture conditions remained good. Early seeded crops are up and look good.

Rain is always welcome once seeding is finished but nothing is suffering yet from lack of moisture. Scattered showers hit many parts of the county Monday evening and Tuesday.

## Pioneer Cowboy, Jim Lew Leaving

(Continued From Front Page) and the machinery they did it the first string of horses came with.

Turning the pages of the photo album reveals history that could be lost and forgotten but for such a record. Mr. Dew at one time had quarter sections of land spread far apart and at harvest it was normal to have equipment strung out up to a mile long when moving from one location to another. His album shows many valuable photos of Vulcan during its early development, the men who opened, broke up and settled the country

With the Dews, the code of the early west has always remained. Their door has always been open to friends and strangers with enough food on the stove for an affed and at harvest it was earlier years an extra bed set up for a weary traveller was coming from one place to another. This way of life has brought their happiness and a multitude of friends who will continue good years in the future.

ARROWWOOD

Congratulations to Mr. and Mrs. Norman DeWitt on the birth of a son last Tuesday.

Mr. and Mrs. Paul Burnett (nee Ida Mae Henry) from Lewiston Idaho visited in the district over the weekend.

Mrs. Cliff Curtis spent a few days at Medicine Hat.

Mrs. Mabel Ward is spending a week at the coast.

Mr. and Mrs. Dodd House are holidaying at Hatham, Idaho.

Miss Mary Duncan has been a patient in the Vulcan Hospital but we are glad to hear she is able to be home now.

Mr. and Mrs. Leonard Williams went to Calgary on Saturday to celebrate their 25th Wedding Anniversary with Mr. and Mrs. Bill Oakes and Mr. and Mrs. Richard Vachon.

Mr. and Mrs. Roy Sharpe spent the weekend at the home of Mr. and Mrs. S. McDermid.

Friends extend their sincere sympathy to Mrs. Herb House who received word this past week of the death of her nephew in a tractor accident on the farm.

Mr. and Mrs. E. Unrau and family spent Sunday at the home of Mr. and Mrs. H. Walsh.

Mrs. Ethel White from Calgary is visiting at the home of her son Bill Lloyd.

Get well wishes go to Teddy Lloyd who is a patient in the Vulcan hospital.

U.C.W. MEETING

On Wednesday the United Church Women held their regular meeting at the home of Mrs. D. Binning.

Routine business was dealt with and plans were made to entertain the neighboring UCW groups, on June 16. The committees were appointed to plan Donna Williams wedding. Mrs. R. F. Williams read the devotions. Mrs. Margaret Sam McCord who was again admitted to the Belcher hospital.

counselling, followed by groups discussing questions which were very interesting.

At 3:30 p.m. a tea followed for the ladies of the district to honor Mrs. Bert Setters who had moved to Calgary. The United Church Women presented Mrs. Setters with two cups and saucers. While Mrs. Setters was there she was presented with a purse of money for her and Bert to buy something for their new home on behalf of the community.

It was a very enjoyable afternoon and a lovely lunch was served by Mrs. D. Binning and Mrs. S. Haye, assisted by several other ladies.

BOOSTER CLUB MEETING

The Booster Club held its regular meeting at the home of Mrs. Paulette Cochrane.

Routine business was dealt with and final plans were made for the Bingo booth and the float for sports day. Mrs. Burger reported that the silverware had been purchased for the hall.

After the meeting the ladies played cards and a lovely lunch was served by Mrs. Cochrane. The next meeting will be at Mrs. Leigh Williams.

QUEENSTOWN

The children are enjoying the new slide which was erected in the playground last week.

Leonard McCord accompanied Barry and Gordon Gore and Leonard Peterson to Pine Lake last week on a fishing trip.

Mrs. Sanders returned home from Vulcan hospital last week where she underwent surgery.

Dr. Orchard was in the district on Saturday and vaccinated a number of horses for sleeping sickness.

Get well wishes are extended to Sam McCord who was again admitted to the Belcher hospital.

MISS FLORENCE HUBKA received the Gold Cord, the highest award in Guiding, from Mrs. Beulah Hubka, Captain of the Carmangay Guide Coy., at a Ranger-Guide-Brownie-Scout Banquet held recently.

Florence has been with the Carmangay Guides for seven years, has earned 27 Proficiency Badges and three Emblems. She also held the All Round Cord prior to receiving the Gold Cord Award.

CARMANGAY

Mr. and Mrs. Charles Burns attended the wedding of their only granddaughter, Miss Carol Burns, to Dan Dunford of Calgary. The marriage took place on May 21 at the Pentecostal Church in Calgary. Carol is the daughter of Mr. and Mrs. Cecil Burns.

Get well wishes are extended Carl Stettner who is a patient in the Municipal Hospital in Lethbridge.

Mr. and Mrs. Gordon Gower and family of Spokane were visiting with relatives in the district during the week.

Country," which was held on May 28 in the Carmangay Hall. A committee was formed to serve the refreshments.

The June meeting will be held at the home of Rosella Hubka, this meeting, being a birthday party, all Pollyannas for the months of April, May and June should be brought at this time.

Phyllis Clark conducted a very interesting contest on vegetables. Rosella won the raffle, and the afternoon closed with a tasty lunch served by the hostess.

GUIDE GROUPS

Mrs. Stewart Hayes, Arrowwood, Commissioner of The Bow and Arrow Division, paid an official visit to the Carmangay Guide Groups on May 17. She was welcomed by members of the local association. Tea and cookies were served while the business of the meeting was carried on.

Commissioner Hayes then progressed to the Brownie meeting.

Several mothers were guests also. Mrs. J. Brownell gave a very interesting demonstration on First Aid. Commissioner Hayes presented two Two-Year Stars and nine One-Year Service Stars to 11 Brownies.

Next on the agenda was a supper meeting with the Rangers. Commissioner Hayes enrolled the five Rangers, namely, Marilyn Baldwin, Geneva Kananen, Wendy McFarland, Judy Hubka and Florence Hubka.

The Guide meeting followed. Summer camp plans were discussed. Mrs. Hayes read the girls an interesting story and she observed the Guides as they went through their routine. Mrs. Baldwin, Guide Lieutenant, expressed the thanks of all to Commissioner Hayes.

### BLACKIE

Pat Bird has completed her post graduate work in Public Health Work at Edmonton and is presently working at the General Hospital, Calgary.

Mr. Malcolm treated 25 members of the church boys group to a wiener roast by his home on Thursday evening.

Congratulations are extended to Mr. and Mrs. David Johnston of Grande Prairie on the birth of their third son. Mrs. R. Bateman is presently visiting with her daughter and family in Grande Prairie.

### HOME & SCHOOL ASSOCIATION

The May Home and School meeting opened with Jim Litchfield showing slides of his recent trip to New York to the United Nations. His commentary was very complete and Jim thanked all the organizations who had helped sponsor him.

Mr. Simonsen wishes to meet with the various organizations in town to finalize plans for the Centennial project at school and around town.

It was moved that the Home and School again sponsor two students to attend the summer seminars in Edmonton and Banff.

Mrs. Raycraft reported on the St. Johns First Aid course. Twelve people received their certificates and all who took the course thoroughly enjoyed it. Mrs. U. Bricker reported on the recent panel discussion held in High River

considering the Downey report on small high schools.

### ANNUAL BANQUET

The Annual United Church CGIT Mother & Daughter Banquet was held Thursday evening in the Blackie United Church. Fifteen girls under the leadership of Mrs. Malcolm, Mrs. C. Sutor and Mrs. H. MacDonald held their regular meeting in the main body of the church.

During the meeting Mr. Malcolm presented Debbie Montgomery, Brenda Meadows, Margaret Ann Laycraft and Faye Irving with their Lanyards and offered some good words of encouragement to the girls. Mrs. Sutor presented all the girls with five star certificates which they had earned during the year for memorizing the Lords Prayer, Beautitudes, Ten Commandments, Books of the Bible and the 23rd Psalm. The meeting closed with Taps.

Mrs. Willis Laycraft conducted a contest on towns in Alberta after which the girls and guests adjourned to the basement, where the mystery daughters and mystery mothers exchanged their gifts. Gifts were presented to the leaders from the girls in appreciation of their work.

Around 60 enjoyed a lovely ham supper following a toast to the mothers by Eileen Percifield and toast to the girls by Mrs. L. Brackley. The evening closed with a short sing-song.

### EASTWAY

Congratulations are extended to Mr. and Mrs. J. Tangen on the birth of a son Brian Arthur, 9 lbs. 9 ozs., May 23.

Mrs. Stuart Campbell accompanied by Mrs. Schneider and Mrs. Dormer attended an organ recital in Lethbridge Tuesday evening.

Mrs. Jack Holoboff and Ronnie visited the Bill McMullen home on the weekend.

Mrs. Doris Sutor spent a week at the home of her brother-in-law and sister, Mr. and Mrs. Harold McDonald at Blackie after her return from Montreal.

Sandra Oldfield and Carol Hagen, students of Mount Royal College spent the weekend with Sandra's parents, Mr. and Mrs. Archie Oldfield.

Les McMullen has returned to his job in Washington after spend-

### WEED CONTROL IN LAWNS

About this time of year we find that our lawn weeds are doing just about as well as our grass. With this in mind I thought the following comments of J. J. Sexsmith of the Lethbridge Research Station would be valuable.

Broad-leaved lawn weeds can be controlled successfully with hormone-type herbicides, such as 2,4-D. However, a few simple precautions should be taken to minimize injury to nearby ornamentals. Use only a low-volatile ester or salt of 2,4-D. It should be applied when there is little or no wind. Keep the spray pressure low and the volume of water high. Whenever possible the application should be made before the nearby shrubs leaf out and before bedding plants are set out.

Rates of application given on the labels of 2,4-D products intended for lawn use are those to control such weeds as dandelion and plantain in lawns that have been established for at least one year. Newly seeded lawns should not be treated until the grass has reached a height of four inches or until it has been cut twice, at which time an amount not exceeding half the rate given for dandelions may be used. Mowing will often provide sufficient control of annual weeds. White dutch clover, black medic, common chickweed, and mouse-ear chickweed can be controlled with mecoprop (e.g., Compitox) or fenoprop (e.g., Silvex) at rates given on labels. Chickweeds will require the highest rate indicated.

No feasible chemical control is available for the selective eradication of the unwanted annual or perennial grasses that commonly occur in lawns of southern Alberta.

## BRAKES Squealing?

Could be you're hurting them. Dust, dirt and abrasives on the drums make a good squeal. Maybe the lining is worn down to the rivets. Whatever it is, it's unsafe.

### MOSSLEIGH

Several young people from the Mossleigh district have been taking their Internship teaching in the County of Vulcan. Internship teaching in the following schools are: Marlene Bertschy and Leonard Robinson, Mossleigh School; Wayne Green, Vulcan Elementary School; Midge Bodell, Queen Elizabeth School in Calgary. Mrs. Alice Thurber taught the above mentioned persons at some time during their elementary schooling which they took in the Mossleigh School. With centralization of schools these folks received high school in Vulcan before attending university in Calgary. People of the Mossleigh district wish each of them every success at they venture into the teaching field.

Congratulations are extended to Ross Ens on the letter of congratulations he received from R. M. Hardy, Dean of Engineering Education. Ross placed 10th out of 186 pupils and passed with an 80.3 average. The Dean states Ross is entitled to a \$100 scholarship through Students Assistance Act because of this passing average.

Verna Samardien enrolled in the Nursing Aides Training School on May 24.

Mr. and Mrs. Alec Podmoroff and family have moved to Ponoka where they have purchased a farm.

Mr. and Mrs. Allan MacLean and family were weekend visitors at the home of Mr. and Mrs. Bob Clemens.

Mrs. Marvlen Phillips and Mrs. Beverly Clemens attended a one day clinic on Respiratory Illness, sponsored by the TB and Nurses Associations in Calgary.

Mr. and Mrs. Jim Houghton and family and Mr. and Mrs. Howard Row and family motored to Happy Valley where they spent an enjoyable day.

A number of people motored to different fishing spots this weekend. Mr. and Mrs. Lloyd Brown and Mr. and Mrs. John Christie fished at Lake McGregor.

Mossleigh baseball team won both games between Mossleigh and Carseland. First game 2 to 1, and the second game 11 to 6. Game highlights were two home runs by Leroy Mason and one by Randy Malmberg. The pitcher of the Mossleigh team was pretty badly spiked in the second game; at present the doctor's report was unknown.

Sunday, June 6 Mossleigh will travel to Bassano for a double-header game. Carseland and Standard will play a double-header at Wyndham Park.

The Babe Ruth Team of Mossleigh played a ball game at Champion on May 24. Champion won the game 16 to 14.

## Move stacked bales to new location with stack retriever from New Holland!

Specially designed for hay growers, commercial feeders and stockmen, the Stack Retriever speeds hay transfer by picking up, transporting and re-stacking or scattering 48 to 64 bales at once. It clamps an entire four-ton load of bales rigidly to the load rack. The rack tilts hydraulically for transport. At the re-stacking or feeding area, the rack tilts forward again to unload. The Stack Retriever fits the chassis of any 1½- or 2-ton truck. Drop by for complete details on how a New Holland Stack Retriever can pay for itself in one season.

Mr. and Mrs. Vern Mossing and family of Vulcan were Sunday visitors at the home of Mr. and Mrs. Bill Sharp Sr.

Mr. and Mrs. Bill Sharp, Jr. were Calgary visitors over the weekend.

### TEACH SAFETY

Death of children under 10 years old too often occur in home fires. Panic may be one of the causes, since a small frightened youngster will hide under furniture, ignoring calls by his family who may be unable to get to him. Home fire drill, frequently practiced, will train children to know exactly how to escape and it could teach them to help smaller tots.

A GENERAL MOTORS VALUE

Pontiac Parisienne Custom Sport Convertible with Sports Option

The only thing that says "low price" about Pontiac is its price tag... and that's removable.

It would be easy for a guy like you to get excited about a new Parisienne convertible, wouldn't it. Breezy, full-sized styling. Rich interiors. The car has success written all over it. Sure, you'd like to own a Pontiac. But if you're like a lot of people we know, you maybe figure that Pontiac is just too good to be true. You figure it costs a lot of money. Of course we can tell you all kinds of nice things about Pontiac; how well it's built, how much you deserve one, but the nicer we make the car sound, the more expensive you think it is. The only way we can get around this is to invite you in to have a look at the price tag. It's maybe not quite as colorful as the car, but it's liable to turn you

on just the same. People forget (and who can blame them), but Pontiac is not an expensive car! And that's not just talk. We can offer you the kind of a deal that could put you behind the wheel of your own new Pontiac this week. A guy like you could really go places in a Pontiac. If there's any better way to get there, we can't think of it. And an easier way, we're sure there isn't. So drop in and get acquainted with all our price tags. You'll know us right away. Just look for one of the names listed below. Be seeing you.

Mrs. G. L. Clifford of High River has been renewing acquaintances in Vulcan for the past several days.

Mr. and Mrs. O. A. Craig were Calgary visitors last week.

## Surprise Visit By Nephew

Mart Jose was very pleasantly surprised last week when his nephew, Edward Venning of Fowey, Cornwall, England, arrived at Vulcan for a short visit.

Mr. Venning is one of a group of about 100 English farmers, some accompanied by their wives, who last month flew to New York aboard a chartered aircraft to study farming methods in New York state and in eastern Canada. They had visited farms around Buffalo, N.Y. and last week were in the Toronto-Montreal area, travelling by chartered bus. Mr. Venning left the group briefly to fly out west and visit his uncle.

The English farmers on this tour were all members of "Agricultural Central Trading," a co-operative buying group that pools the purchasing power of many farmers in England. By English standards Mr. Venning farms on a fairly large scale. His mixed farming operation includes 100 head of dairy cattle and about half that many beef cattle. Feed for all the livestock, as well as other crops, are grown on his 450 acre farm in southern England.

He expressed the opinion that farm machinery prices in Canada were far too high, in some cases being at least a third more than the cost of the same model and make of machine in England.

Mr. Venning was flying back to Toronto on Wednesday of last week.

## Diabetics Must Be Careful With Their Teeth

Any focus of infection is harmful, but especially so for a diabetic. Higher blood sugar levels lessen resistance to infection. Still a diabetic can, like anyone else, develop deep root abscesses, or pyorrhea, both of which are infections. And, you don't have to have a toothache to have a root infection, or loose teeth before your physician can diagnose infection.

Have dental checkups at regular intervals and be sure and tell your dentist, if you are a diabetic, so he can take extra precautions if an extraction is needed. He can't tell by looking at you. We carry complete stocks of diabetic and dental medications and supplies.
